$200.00+	$50.00

The Masonic Service Association – MSA -- was created in 1919 by the Grand Lodges of the United States for the purpose of performing a number of services under one central organization. Some of those services have changed over the years, but MSA remains an organization dedicated to serving Freemasonry, our country, and the world.

MSA's three major functions are:

1. Education and Information
   - Since 1923, MSA has published the *Short Talk Bulletin* every month. It is considered the most widely distributed Masonic publication in the world.
   - MSA and its Masonic Information Center have many publications to tell the world about Freemasonry, including a variety of pamphlets, digests, and brochures, which have been distributed to more than 3 million people in the past 20 years.
2. Disaster Relief. In 1923 MSA issued its first disaster relief appeal. Since then MSA has become a recognized and credible Masonic group in North America, trusted by all Grand Lodges to forward aid around the world when disaster strikes. This has been one of MSA's key services. Total disaster aid collected and distributed by MSA since 1923 has surpassed $10 million – a milestone of which we are very proud.
3. Hospital Visitation. From the start the cornerstone service provided by MSA is our work with those who have served in the military. Today MSA has approximately 180 Hospital Representatives and State Coordinators, plus hundreds more volunteers at virtually every VA Medical Center and at many state veterans hospitals in the United States. These individuals have given thousands of hours of service to our Veterans, giving back to those who have served our country through great sacrifice.

Interested in joining our Hospital Visitation Program? Call the Masonic Service Association at 301-476-7330 or email us at msaoffice@msana.com.
